

Kamsack, A Great Place to Call Home!

Welcome to the Town of Kamsack, the Garden of Saskatchewan.
We hope you find our website both helpful and informative.

Our town is nestled in the scenic Assiniboine Valley, just minutes away from Duck Mountain Provincial Park and Madge Lake; providing ample opportunities for everyone to enjoy the natural beauty of the surrounding prairies, lakes, forests and beaches.

Beyond the appeal of our landscape, Kamsack provides the safety, comfort and atmosphere of a beautiful, friendly small town with many of the services you would expect to find in a large, bustling centre.

Recently, we took significant steps to improve our water and sewer utilities, secure the future of waste and recycling services, prolong the lifecycle of critical infrastructure, increase recreational opportunities for everyone through investing in accessible facilities and equipment, foster community and stakeholder relationships to build a stronger municipality, as well as maintain strong and sustainable financial practices.

This success was not caused by luck; but rather through careful and foresighted planning. And, I am looking forward to working with this newly elected Town Council as well as the ideas and projects we will pursue over the next 4 years.

Whether you're just starting out in life, raising a family, starting a business or ready to retire, the community of Kamsack offers a high quality of life to every resident and visitor alike.

Come and see why Kamsack is such a great place to call home!

Best wishes to you and yours,
Nancy Brunt
